

New Match Shooter Program: There is no substitute for match shooting to improve your bullseye pistol skills. We want new/unclassified shooters to shoot in matches. Shoot any or all guns (22, CF, 45) for just \$5/gun! Your score will not be posted and you can choose to have your scores sent to the NRA to establish your classification. This is an inexpensive way to gain match experience and NRA classification. (Subject to match space availability.)
